RE: YMCA Expansion in Porter Ranch

Dear Mr. Logrande,

At the 8/15/2006 board meeting of the Porter Ranch Neighborhood Council, Jane Stanton and Chris Murray, representing YMCA, presented information to the board and requested support to move forward with expansion of the YMCA facility.

Mel Mitchell moved to accept the recommendation of the PLUM Committee and recommend approval of the YMCA expansion; seconded by Pat Pope. The motion passed.

We wish our neighbor, the YMCA in Porter Ranch, success in their endeavors.

Sincerely,

Becky Leveque, President  
Porter Ranch Neighborhood Council
