Dear Porter Ranch Neighborhood Council Members:

Thank you for supporting the Devonshire Volunteer Surveillance Team (VST). We have received the three GPS Systems donated by the Porter Ranch Neighborhood Council. We will be using these GPS systems for LAPD details to better track and report our location, especially at night. The VST goal is to make the North Valley communities a safer place to live, work and visit.

We are extremely thankful that you have set public safety as one of your main priorities.

Sincerely,

Wendell Durrant  
President, Volunteer Surveillance Team
