Item 1—Meeting called to order at 6:05 pm.

Item 2—Alex welcomed everyone.

Item 3—Committee members present were Gabriel, Jason, Alex, and Pete. Lori was not able to attend.

Item 4—Discussion took place about submitting Adopt a median application to the City. Discussion about design took place. Alex suggested that we could remove all weeds and put decorative rock to keep the weeds down. Pete mentioned that we could do a sign similar to the one at Tampa and Sesnon.

Item 5—Discussion regarding planning for Earth Day Clean up event took place. Lori mentioned she would reach out to the schools for volunteers that need to do community service. The committee agreed it would be on Earth Day. It was also decided that we would have a clean up in the morning and a community event at the park in the afternoon.

Item 6—General Public Comments from stakeholder.

Item 7—The committee met with Jason Valencia from the LA City Office of Beautification and he recommended that we request Porter Ranch be designated a priority zone for new tree planting to help with our goal of getting more trees planted. It was stated that for each tree removed under the sidewalk repair program, that two new trees needed to be planted and sometimes those cannot fit. In cases like this, these trees can be planted elsewhere in designated priority zones.

Item 9—Board members were looking forward to the clean up event.

Item 10—Meeting was adjourned by Alex Kim at 7:47 pm.
