Motion for Board Consideration

June 14, 2017

- Motion:** Discussion and possible action to authorize the PRNC to begin the planning of and to reach out to north San Fernando Valley Neighborhood Councils to begin discussions of a Neighborhood Council “summit”. Invitation to the “summit” would go to (but not limited to) the following Neighborhood Councils: Chatsworth NC, Northridge East NC, Northridge West NC, Northridge South NC, Granada Hills North NC, Granada Hills South NC, West Hills NC, Mission Hills, NC and Sylmar NC. The “summit” would be held at a date and location to be determined by the PRNC and the planning and hosting of future “summits” would rotate through the list of participating Neighborhood Councils.
- Proposed by:** Andrew Krowne
- Description:** The purpose of this “summit” is to forge new lines of communication with neighboring Neighborhood Councils along with their stakeholders and begin to foster bonds not just with each other’s schools and businesses but with their leaders as well (NC’s). I envision this “summit” rotating semi-annually or annually to other NC’s in the north Valley which each Council taking turns. A way to showcase their community to their neighbors.
- Benefit to PR:** Stakeholders of PR live, work, recreate, go to school and visit neighboring communities and those communities do the same to PR. It would serve all of the communities if we could periodically meet to discuss common issues and foster relationships which benefit all communities.
