Motion for Board Consideration

PRNC Board Meeting
January 15th, 2020

Motion: Motion for PRNC to approve up to $250 to participate in CD 12 Candidate Forum with additional Neighborhood Councils with time, date and location to be determined.

Proposed by: Jason Hector and Lori Choi

Description: This event will be similar to the one PRNC previously participated in where 6 neighborhood councils collaborated to hold a forum at Highlander Hall at Granada Hills Charter High School with a moderator from Spectrum 1 News. Date is tentatively set for February 15, 2020 at Granada Hills Charter High. Granada Hills South NC is the lead on this event since they are providing the venue and also coordinating the moderator and participants.

Benefits to PR: The council office handles many important services within Porter Ranch and this event provides an opportunity for stakeholders to hear from the candidates directly on issues that are of concern to the community. PRNC and neighborhood council participation in general is important because we are the voice of the community. Engaging with our future CD 12 leader is important to show that PRNC does have a voice and this event provides a way to ask the questions of importance to our stakeholders.

Is this a Time-Sensitive Motion (Yes/No)? Yes

If the answer is “Yes”, please explain: Event likely to be held in mid Feb and there is necessary planning involved.
