I have been a resident in Porter Ranch since 1994. My youngest Son attended and graduated from Chatsworth High School. I've always been interested in City planning and development. Under Major Richard Riordan's Los Angeles administration I served as a Commissioner for the Commission on Disability. During the Chanda Smith V. Los Angeles Unified School District 1993 seminal class action lawsuit I served on a Human Resource Council for LAUSD.

As a single parent I've proudly raised two successful Sons while being employed as a Business Analyst and Compliance Auditor for the Entertainment Industry for the last forty years.

I'm presently experiencing more free time so I believe that it would be an opportunity for me to reach out to learn and understand more about the community I have lived in for so many years: while also discovering where I could helpfully contribute and be supportive.

As a resident of Porter Ranch for a little twenty-nine years of my life, the growth of this neighborhood has been a important matter for me. I have seen the growth from when the Porter Ranch Town Center first open to the wildfire that hit through 2008 and 2019. I want to ensure. As a social, urban and human geographer who also explored urban planning, I want to preserve Porter Ranch but to also ensure a continued growth of the community since the late 1960's. While interning for the Sherman Oaks Business Improvement District, I have understand the challenges that goes on city matters and I want to support our community to the best of my ability with these challenges.

-Brian.
