## Service Objectives

Moore Business Results (MBR) has been pleased to serve Porter Ranch Neighborhood Council (PRNC) in providing online Neighborhood Council (NC) outreach and communications and we look forward to continuing to partner with you to promote your work to stakeholders inviting their involvement.

## Scope of Work

We are your one stop shop for online stakeholder communications: website, e-blasts and social media. The scope of services may include:

- Partnering with you to identify Board actions, positions, events and news and crafting news briefs to share across all platforms. We endeavor to make your NC actions the primary source of news on your site.
- Creating and implementing a communication plan with you to promote important meetings, speakers, events or election activities
- Developing eblasts to share the same messaging with stakeholders
- Share engaging current news and events via social media
- Keeping the website updated with events, news and current Board Member names, agendas, minutes, bylaws, etc.
- Add additional site functionality as needed
- Conduct regular site security updates

## Assumptions

1. NC empowers a single point of contact to work in partnership with MBR regarding messaging to stakeholders.
2. NC submits requests one business day before service is needed and we will make good faith efforts to complete the request. Agendas should be sent on the Thursday prior to the meeting to allow for posting and eblasting.
3. City/NC owns the site and its assets and pays hosting, domain name and email marketing services directly and in a timely manner.
4. NC provides access to accounts as necessary to provide services.
5. NC agrees that all elements of text, images, or other artwork you provide are either owned by NC, or that you have permission to use them.
6. NC or MBR may terminate this agreement for convenience at any time by providing thirty days written notice.

## Pricing

We work with you to provide services keeping your budget in mind. At the end of each month we provide an invoice detailing services rendered using our hourly rates: communications \$136/hour, developer \$95/hour and graphic designer \$105/hour.
