I am seeking appointment to the Porter Ranch Neighborhood Council to contribute my professional skills, lived experience, and long-term commitment to this community. I am a Black, Mexican, and Native American resident raised on the West Side of Los Angeles and a first-generation college graduate with a degree in Computer Science from NYU. I currently serve as the only representative from The Vineyards community on the Devonshire Division Community Police Advisory Board, ensuring that renter and multifamily residents are represented in public safety discussions that often overlook them. In addition to governance and policy work, I am prepared to contribute hands-on operational support to the Neighborhood Council at no cost. This includes redesigning and managing the PRNC website, overseeing social media and email newsletters, and improving digital outreach, transparency, and accessibility. I am particularly interested in Public Safety, Environmental Sustainability, and Homelessness Solutions initiatives. My professional background in real estate operations, housing stabilization, and rental properties has provided direct insight into homelessness prevention, tenant stability, and responsible neighborhood development. My volunteer work with Chrysalis reflects my belief that workforce development, second chances, and economic opportunity are essential to long-term community safety and health. Porter Ranch is my long-term home. I am committed to inclusive representation, practical solutions, and accountable governance, and I would be honored to serve.

I am applying for a position on the Porter Ranch Neighborhood Council Board because I feel truly fortunate to call this community home. I am grateful every day to be part of a neighborhood that values safety, connection, and quality of life. Because of that gratitude, I am ready to step forward to help protect and strengthen what makes this community special.

With nearly two decades of professional experience at the Los Angeles City Attorney's Office, I have held various positions, including serving as Assistant to the City Attorney in the Executive Office, and currently as an Administrative Coordinator III in the Police Litigation Unit. This tenure has afforded me a comprehensive understanding of municipal departmental operations, policy implementation, and effective communication with governmental agencies and community stakeholders. I am proficient in navigating complex administrative systems and advocating with professionalism, consistently maintaining a solutions-oriented perspective.

My extensive professional background, combined with my experience as a dedicated parent and advocate, has equipped me with the perspective and competencies necessary for this role. I excel in formulating thoughtful inquiries, cultivating productive relationships, and responsibly advancing community initiatives.

I am seeking greater engagement in civic affairs and am committed to listening attentively, collaborating openly, and leading with the utmost integrity. I am dedicated to deepening my involvement in service to our community. My commitment is to approach this role with active listening, effective collaboration, and principled leadership maintaining the highest standards of integrity.

It would be a privilege to serve the Porter Ranch community to ensure that it remains a thriving, well-represented community for families today and for generations to come.
